Outdoor Community Clean-up Requests

On the inside of this brochure is the City of Cincinnati **SuperCan** request form. Please complete and mail or fax to Keep Cincinnati Beautiful. Our fax number is 352-4389. Please allow **two weeks** for processing.

These special clean-up events are for the benefit of the entire community. They are not provided to accommodate businesses or an individual's home.

No "white goods," such as refrigerators, ranges, washers, or dryers, not other types of large items such as furniture should be placed in the **SuperCans**. To dispose of these items, call the Department of Public Services' Customer Service line at 591-6000 to schedule a special pick-up.

... Remember *absolutely no yard waste*. Tires should be placed next to the **Super-Can**, not inside. Tires will be collected within the following week of your event.

Outdoor Community Clean-up Request

SuperCan 2010 Outdoor Community Clean-up Request

1. The SuperCan program is designed to assist your community with its own outdoor community clean-up event by providing special containers (dumpsters) for the benefit of the entire community. **THEY ARE NOT FOR INDIVIDUAL OR BUSINESS NEEDS.** All SuperCans are scheduled on a first come-first served basis, so please plan your event as far in advance as possible. **Two weeks notice is required for booking a SuperCan.**
2. This request form must be filled out completely and **signed by the President of the Community Council** in which the event will take place. Incomplete request forms will be returned, unprocessed. **Please print CLEARLY in INK.**
3. All SUPERCANS must be placed in a legal parking space. The Neighborhood Operations Division will inspect the site before a SUPERCAN placement is approved. If approved, your SuperCan will be delivered prior to your cleanup event.
4. SUPERCANS SHOULD NOT BE OVERFILLED. Do not fill past the rim of the container as a tarp must be placed over the container prior to hauling. This is required by City of Cincinnati Municipal Code as a measure to prevent litter. **Tires should not be placed in the dumpster**, but should be placed on the curb near the SuperCan, and will be collected within the following week of your cleanup event.
5. Keep Cincinnati Beautiful can provide trash bags and planning assistance on cleanup projects. If you have questions or need help, please call us at 352-4380. Mail your completed request form to KCB, 801 Plum Street, Room 16, Cincinnati, OH 45202 or fax to 352-4389.

Cincinnati Community: _____ SuperCan Group Name: _____

SuperCan Coordinator's Name: _____

SuperCan Coordinator's Address: _____

SuperCan Coordinator's phone — day: _____ night: _____

SuperCan event date requested — 1st choice: _____ 2nd choice: _____
