Limit: 550 characters

Keep Cincinnati Beautiful works to create thriving communities with equitable, healthy, and vibrant public spaces. Reflect on a public space in the community where you live (library, school campus, rec. center, park, etc.). Describe how this space is utilized by yourself and others in your community. What are the strengths and weaknesses of this space? How would you improve its function? **(required)**

Limit: 350 characters

If you were working within the horticulture field, describe what a really great work day would be like for you. Include the activities you would be doing, an example of the type of business you would like to work for, and what your boss and co-workers would be like. Be as detailed as possible.**(required)**

Limit: 250 characters

This program will require approximately 25-35 hours of your time per week between school and field work. Will this work for your schedule? Please list any concerns you have and be as detailed as possible.

Do you have prior experience (in field or classwork) that you feel may better prepare you for Roots to Boots programming? Please keep in mind this is NOT required.

Program participants need reliable transportation to get to/from Cincinnati State, the KCB office, and worksites. How do you currently get to school and/or work? *This program provides reimbursement for busing to and from class if needed. (required)*
